1 Thessalonians 2:13

For this reason we also thank God without ceasing,
because when you received the word of God
which you heard from us,
you welcomed it not as the word of men,
but as it is in truth, the word of God,
which also effectively works in you who believe.

Good morning. Welcome. It is the Lord's Day. As you can see from our record from last Sunday, we had a really big crowd for worship and fellowship. And almost everyone who could, stayed for Bible class too. It was so good to see some who haven't been with us in a while. It is my hope and prayer that everyone saw our love for God, for one another, and for others and will want to join us in our walk together as Christians toward heaven. There are so many rich blessings that come to us when we become a Christian and live the Christian life: salvation from any sinful thought, word, or action that has broken our hearts and the hearts of those we love, the promise that everything will work out for our good because we love the Lord and are the called according to His purpose, the knowledge that there is no condemnation to us because we are "in Christ" and walk not according to fleshly desires, but according to the Holy Spirit of God, the fact that God is with us, hearing us, helping us, and protecting us, and above and beyond every other physical and spiritual blessing; we have heaven awaiting us in the end. If you are thinking about becoming a Christian, don't wait another minute. Let us know today and we can help you take the steps you need to take to be saved by grace through faith in Christ Jesus. If you are a Christian...maybe you confessed Jesus as the Son of God and were baptized long ago, and have not been living the Christian life, then don't wait another minute. Come forward after the sermon today or see Mickey, Charlie, or Geoffrey or one of the elders today to see what you need to do to make things right again. We love the Lord. We love the church. We love you and want you to experience all that God wants to give you.

This morning we begin a new sermon series entitled "Aspects of TRUE FAITH." Our text is taken from I THESSALONIANS 1:2-10. Paul writes to the church of Christ in Thessalonica (And to us at Harding Street too) in terms of their work of faith, labor of love, and patience of hope in the Lord Jesus Christ. When you think about it, these three aspects of faith can also be ours. Today we will focus on our WORK OF FAITH in terms of TIME. Faith in God requires TIME: time in thought, in prayer, in study, in worship, in life, and in rest.

On the evening we will look at 3 more steps we can take as we Follow the Footprints of Jesus. We will take another step this evening at 5:00 and think about how Jesus showed and shared the gospel of salvation with the world. Jesus used EVERYDAY LIFE and COMMON EXPERIENCES to talk to others and teach them the gospel. So can we.

It is hard to believe but today is 24th, the last Sunday in April. Before you know it, school will be out for the summer, our graduates will be walking across the stage, and we'll be dreaming of a vacation. Take a look on the bulletin board in the foyer to see our graduates from kindergarten, high school, and college. Be listening for a time to honor our graduates with a celebration very soon. Graduates, we are so proud of you for your dedication to learning. You did it! MB
