Welcome. Good morning to you on this fine Lord's Day. We only have one life to live! How are we living it? In the evening we close our eyes in sleep and then in an instant morning comes and we open our eyes to a new day. Yesterday is gone. Tomorrow may never be. Today is ours to live as we choose. We must choose wisely. We have too little time to waste even a moment on things that simply do not matter, things like regret, hesitation, procrastination, worry, hate, fear and such things. Only "a moment" ago, back in May we were talking about the summer and how much we needed the summer sun and a few days off. Well, June and July are now history. It is now the middle of August, and our teachers and students are back in school. What happened? James wrote about life in chapter 4, verse 14; "Life is even as a vapor that appears for a little while and then vanishes away."

Our sermon today is taken from I Timothy 3 and Titus 1: the qualifications of an elder. The eldership has decided to place Brother Stephen Bonds before you today and ask you to consider his appointment to the eldership. After meeting with him in prayer and discussion over the past several weeks, your elders believe that he is qualified and ready to take on this position of service to the church at Harding Street. Please listen with your heart today as we read the qualifications from God's word. Take the next two weeks to prayerfully consider Brother Bonds' qualifications. If you know of any Scriptural reason why Brother Bonds should not serve as an elder, please speak with him personally, then speak to one of the current elders regarding your reason as to why he should not serve. Our plans are to appoint him as an additional elder on Sunday, September 3, 2023. Thank you so much for your consideration in this most important consideration.

**REMEMBER** – Our monthly Birthday and Anniversary Celebration is TODAY. Right after Bible class please walk across the parking lot to the Annex Building to enjoy a potluck together as we celebrate our Christian brothers and sisters who have a birthday or anniversary in August. Also, **we will NOT meet tonight at 5:00 p.m.** Instead, we will have an afternoon service at 12:00 here in the auditorium right after lunch, then break for the day. Enjoy the extra time this afternoon with your family.

Our lesson at 12:00 today is entitled "When you read your Bible, what do you find?" I hope you will stay to learn and build upon your faith. The Bible is not the end in and of itself. The Bible is the means to the end – JESUS. MB
