Good morning family and friends. We are the Harding Street Church of Christ. I hope you had a wonderful Thanksgiving on Thursday. We certainly did. Did you take a few minutes to thank God for His blessings in 2023. Can you believe that 2024 is only a month away.

We are so very blessed to be a part of our great Conway County community. I often hear our mayor say this. And he's right. There are so many wonderful things to be grateful for close at hand. Just look up and toward the west and see our famous Petit Jean Mountain. Cindi and I were driving in from Conway the other day and looked up and beyond Exit 108 to view our one and only Petit Jean. Don't take this beautiful blessing for granted. Make the short 18-mile drive to "lose your your mind and find your soul" on Petit Jean. Then note the Arkansas River that runs strong and steady through the county. We have terrific access to anything and everything we need via I-40, Hwy 64, the RR, or the river. We are so very blessed to have such a wonderful congregation of God's people, some we've known all our lives and some we're getting to know. We have good Godly elders, good-hearted deacons, ministers who love God and His church, and members who want to go to heaven and live for Christ every day at work, school, home, and in the community. We are blessed. More people need to know the love of Christ and the salvation and only comes through a close walk with Him. Thank you for your dedication to Christ and His church here at Harding Street. We need each other. We are blessed.

Today our sermon topic is "Positive Expectation." When you pray and God answers your prayer, are you surprised? You shouldn't be. When you give just like God asks you to from LUKE 6:38 and you begin to receive "good measure, pressed down, shaken together, running over" are you surprised? You shouldn't be. When you smile, look up to God and say, "Thank you" and God smiles back with happiness and joy in your life, are you surprised? You shouldn't be. How can we have positive expectation? We look and see.

On the evening at 5:00 today we will continue in our series "God's Word for Life." In PROVERBS 3 God gives us His word for life. Last time we look at Point #1 – REMEMBER GOD'S WORD. Today we will take a look at Point #2 – LIVE A LIFE OF MERCY AND TRUTH. Balance is so important. We must always be truthful. At the same time, we must be merciful. MICAH 6 tells us to do what is right, love mercy, and walk humbly with God. If we have time, we'll move to #3.

Stay for Bible classes today at 10:00. You'll be so glad you did. God will bless you for it. Hope you do. **MB**
