Good morning. Welcome. We have missed each other for the past couple of meetings. I certainly appreciate all the positive comments regarding the online lessons. Online is okay when the weather is bad or we're sick, but far from what we really and truly need. We need each other. We need to be together. I am so happy that we are together again today. God is so good to us.

It's still cold, but 38 is certainly better than 8. Look to the left and notice our family and friends who are sick and in need of our prayers and care and God's intervention and provision. Remember to pray for them. God says in James 5:16; "Confess your trespasses to one another, and pray for one another, that you may be healed. The effective, fervent prayer of a righteous man avails much." Our dear Christian Sister Lavonne Chism lost her car and house on Thursday in a fire. Our houses and cars are valuable to us, but they can be replaced. I am so glad that Lavonne is okay. She is slowly and surely on her way to recovery. Also note the calendar to the right and remember our family and friends who are celebrating birthdays and anniversaries. I always appreciate receiving cards and comments when it is my birthday or anniversary, and so I must return the favor and congratulate others. Use the "mail box" located in the lobby for notes and cards. Remember what Jesus said, "It is more blessed to give than to receive." Of course, He is right.

TODAY immediately following Bible classes we will celebrate January birthdays and anniversaries with a potluck lunch together up in the Annex Building. I hope you have planned to stay and enjoy the wonderful fellowship we have here at Harding Street. Cindi had the house smelling delicious this morning with what she planned to bring to share.

REMEMBER: We will NOT meet tonight at 5:00 p.m. Take the extra time with your family and friends.

Geoffrey, Angel, and several from our youth group are at Y.O.U. (Youth Outreach University) in Conway today. The youth conference began on Friday and concludes today. I know they have had a great time of fellowship and study and will come back to Harding Street even more excited about Christ and living the Christian life every day.

This morning's sermon is entitled "Faith is the Victory and Overcomes the World." Drayke is read from the book of Luke chapter 5 verses 1 through 11 about two different fishing trips. We will look at three major differences in the two fishing trips. You will see what a huge difference these three differences made in the trips. It could be that you are missing out on a lot of "fish" simply because you are not applying these differences to your "trips." MB
