Don't let people pull  
you into their  
storms...  
pull them into  
your  
peace

"Abundant peace  
belongs to those who  
love your law; Nothing  
can make them  
stumble."

Hello family and friends. What a beautiful Sunday God has given us to enjoy, a little rainy but still a good day to worship in spirit and in truth. Cindi and I are out of town this week in California, Cindi on business, me for the view. Geoffrey will be preaching today. Matt will be leading our singing. Pray for us as we travel.

Do you enjoy being with your Christian family? Do you appreciate the encouragement you get, and do you understand how important it is to be an encouragement? The 1<sup>st</sup> Century church in the book of Acts took every opportunity to be together, to worship together, work together, suffer together, and to share Christ with each other. You might not think you are missed when the church meets together, but you are!!! Check the following and see.

Doxs it mattxr whxn you don't show up at thx storx? Xvxrybody xlsx will bx thrx. Aftxr all, you arx only onx pxrson. Cxrtainly you don't makx or brxak thx businxsx. Takx this old typxwritxr for instanctx. Nothing is wrong with it xxcxpt for onx of the kxys. But sxx how much diffxrxnce onx kxy makxs. You certainly are missxd...I mean missed when the church meets together and you're absent. **Psalm 122:1** says, "I was glad when they said to me, 'Let us go into the house of the Lord.'" Do you feel the same way? I hope so.

I want the Harding Street Church of Christ to grow in every way, in spirit, in maturity, and in number, to grow according to God's own desire and purpose. Do you? Of course, growth comes at a price. We must study God's word and put what we learn into practice to grow. We must look deeper, listen closer, move past our own personal bias, and then desire and seek the truth sincerely. Did you hear about this man who was arrested in New York for attempting to extort funds from ignorant and superstitious people by exhibiting a device which he says will convey the human voice any distance over metallic wires so that it will be heard by the listener at the other end? He calls this instrument a telephone. Well-informed people know that it is impossible to transmit the human voice over wires. This article appeared in a New York newspaper in 1868. Today, who needs wires! I do not want to be guilty of holding back the growth of the church by my own complacency and lack of faith in God. God is able to do exceeding abundantly above all that I could ever ask or even imagine (Ephesians 3:20). God always does what He says He will do. What about you and me? Let's do our part. As the old song says; "I will work, I will pray, I will labor every day in the vineyard of the Lord."

Please plan to stay for Bible class immediately followship the morning worship hour. Remember...NEXT SUNDAY we will honor our graduates with a celebration of their accomplishments in the Annex after the evening worship service. Bring finger food to share and enjoy. MB
